Allen Breezes.

The Bureau says change in the weather.

Mr. Collier, of San Jon, was in our community Monday on business.

Claude Fallwell, of Endee, was over to the mountains after a load of wood.

Our friend, J. L. Daulton purchased a fine team last week. And I tell you they ar goers, for he started early in the morning, and it took him most all day to make the trip. Swift. Aren't they?

G. T. Walker started to Tucumcari today. Tugg is one of our prominent citizens and some day we expect to hear of him.

Willie McIvor spent Sunday with his cousin, Lonnie May, who lives six miles north of San Jon.

Mr. May expects to leave for Iowa this spring.

Mr. Allen, one of our city merchants, goes to Tucumcari this week for another load of goods. He has moved his old store building up to his residence.

B. B. Boroughs lost one of his gray horses last week. The disease is unknown to all who examined the brute. Pretty hard, financially, on B. B.

Walter Ketchum, David Ailsworth and W. F. Buckner put in most of their time in the breaks. Say boys, give us a chance too,

will you.

Protracted meeting now in progress at Mountain View, in charge of Rev. Scott Williams, late of Shawnee, Okla., The Rev. is a long winded fellow but can interest you on Bible readings. Come out and hear him.

It is reported that railroad work is progressing slowly. Between ten and fifteen miles is now ready for track laying, and we expect to hear the whistle blow in the near future, at the half mile board, as the old Mogul pulls into Endee.

News reached us recently that Mr. Romero, our Mexican friend; who lives just half way between Endee and San Jon, has given eighty acres for a townsite. A railroad company has surveyed through by Allen and crossed the Rock Island grade at Romero's, which means a junction. It is a beautiful location for a town. There is plenty of good water and the surroundings point to one of the best locations between the Texas line and Tucumcari.

Prentice-Behrens.

Royal A. Prentice, the popular court stenographer of this district, and Miss Louise Ann Behrens were united in the holy band of matrimony at the home of the bride in St. Louis, Wednesday December 25th. They will reside in Alamo-gordo.
